

# One Day Seminar on Recent Trends in Physical Sciences

*Organized by*  
Department of Physics & Department of Chemistry  
Netaji Subhash Mahavidyalaya, Udaipur  
30<sup>th</sup> December 2021

A one day Seminar on Recent Trends in Physical Sciences has been Organized by Department of Physics & Department of Chemistry, Netaji Subhash Mahavidyalaya, Udaipur, on 30<sup>th</sup> December 2021 in the Seminar Hall 12 noon onwards. The programme has been started with felicitation of the guests on the dais and lighting of auspicious lamp followed by National Anthem. Dr. Soma Banik, HOD, Department of Physics, delivered her welcome speech pinpointing the significance of the event to the target audience, the students. Two eminent resource persons were present to grace the occasion - Prof. Swapan Majumdar, Dept of Chemistry, Tripura University and Dr. Ratan Das, Assistant Professor, Dept of Physics, Tripura University. Prof Majumdar has elaborately discussed on "Organic Synthesis: Issues and Challenges". Dr. Das enlighten the gathering through his vivid talk on "Nanoscience and Nanotechnology: A simple discussion about past, present and future". Students interacted enthusiastically with the resource persons showing their active participation in the seminar. Dr. Sudhan Debnath, Principal in charge, Netaji Subhash Mahavidyalaya, has presided over the session. The programme ended with vote of thanks delivered by Dr. Basu Maan Daas, HOD, Department of Chemistry.
