Introduction

Situated at Dhajanagar, Udaipur sub-division of Gomti District of Tripura state at distance of 52 kms from State Capital Agartala along the National Highway, Netaji Subhash Mahavidyalaya (NSM), Udaipur has been functioning as centre of higher learning in this remote corner for over four decades by now. From being a tiny private entity since 1964, NSM, has come of age to admit 1598 under graduate (UG) students during the 2017-18 academic session against 2365 sanctioned seats, totaling 3338 students across disciplines. The College begun with a few Arts Stream based subjects. Commerce and Science had been introduced in the year 1987 and 1997 respectively to offer all the General Degree Courses under single umbrella imparting education to the students of diverse socio-economic background, race and religion from the entire District. It became Udaipur Government Degree College under the aegis of State Government on 21st September, 1979 (year of establishment) while renamed as Netaji Subhash Mahavidyalaya on 23rd January, 1997.

Spread around 4.62 acres of land area, the College campus house three relatively new multi-storey buildings, two old buildings and one single-storey building for imparting classes to 3338 students primarily from nearby locations. The well connected Central library of the NSM, Udaipur with installed INFLIBNET and reading room facility is located in the main building along with academic, establishment sections, well connected Professors Common Room, Seminar Hall among others. The main building also accommodate enclosures for Examination Cell, RUSA Cell, IQAC, Distance Education, IGNOU etc including a small chamber for incumbent Principal. The college also has a small canteen in the campus for staff and students.

Seminars, talks, field studies for students organized by the departments coupled with research publications, FDP/refresher participation by faculties enriching teaching-learning environment of the College.

For equipping students with technology embedded environments, two ICT enabled classrooms are available catering to 150 students at a time. Similarly for laboratory based departments, 17 laboratories are providing practical exposure to the students of nine departments.

Monogram: The vision of the NSM Udaipur enshrined in college emblem “विद्या या विमुक्तये” meaning “विद्या विमुक्तये” connotes “that is knowledge, which liberates”. The logo itself indicative of the vision that knowledge has no boundary liberates one’s soul through education to self actualization. The vision document translated into ethos of inculcating human values, professionalism and scientific instillation to all sections of students irrespective of caste, color or creed.

Vision of the College: Vision statement focuses on imparting inclusive education to educands by instilling human values, professionalism and scientific temper across all sections of students irrespective of caste, color or creed with due focus on female students.

Mission of the College: The mission statement includes:

- Provision for multifaceted development of local youths irrespective of caste, color or creed;
- Imparting quality education for students;
- Promoting inclusive education amongst educands;
- Equipping students with academic programs to meet local/ regional/national/global environments;
- Emphasizing on student-centric learning amongst learners with due focus on personality and skill development; and
- To make them aware about social developments and responsibilities entrusted upon them.

Student Enrollment and Strengths

The NSM, Udaipur is one of the few Colleges in Tripura offering majority of courses meant for students pursuing general undergraduate education over the years. As of now, the College boasts of having 19 departments under single umbrella spread across three streams, namely, Arts, Commerce and Science. Arts stream encapsulates majority of departments which includes Bengali, Economics, Education, English, History, Geography, Kokborok, Philosophy, Physical Education, Political Science, Psychology and Sanskrit etc., of which Geography, Physical Education and Psychology offer practical oriented courses for aspiring students. Of the twelve Arts stream subjects, nine subjects simultaneously offer both Honors and General courses whereas rest three, namely, Geography, Kokborok and Physical Education offer only General courses. Science streams represented by departments like Physics, Chemistry, Mathematics, Zoology, Botany and Human Physiology offering both Honours and General courses. Similarly for Commerce, both Honours and general courses are offered to students.

Particulars of Teaching & Non-teaching Staffs

The College has been blessed with rich blend of faculties comprising of Associate Professors, Assistant Professors, Post Graduate Teachers (Higher Education) among others. As of 30.06.2018, a total of 45 faculties have been serving in the College all across 19 disciplines- of which four of them are Associate Professors, 26 Assistant Professors and 15 Post Graduate Teachers (Higher Education). Apart from these, there are Guest Faculties serving in majority of the departments appointed annually (as per the directives of DHE, Tripura) for meeting inadequacy of teachers for teaching-learning activities of NSM, Udaipur.

Total of 19 faculties of the College are having PhD as a part of academic credentials on the date of reporting indicative of research exposure to relevant field of studies.

Non-teaching staffs of the College are backbone of facilitating teaching-learning and administrative activities of the institution since its inception. Apart from Principal, Drawing and Disbursement Officer (DDO) and Librarian, there are 33 Ministerial Staffs catering services to both faculties and students over the years. Ministerial staffs comprised of Upper Division Clerk (UDC), Lower Division Clerk (LDC), Laboratory Attendants, Library Sorters, Group D Employees and Sweepers among others.

Departmental Activities

The College seeks to carry forward both curricular and co-curricular activities for overall growth of students prior to their entry into realm of life. Curricular activities were designed by the affiliated Tripura University and practiced by the faculties for achieving the goal set out. In doing so, regular offline classes are held in between 9.30 am to 4.30 pm in normal working days across departments with the exception of holidays, examinations or any other official events.

Academic Distinction

Out of 917 students appeared for 6th semester examinations, 97.81 per cent of the students came out successful during 2017-18. Of which, one student from the Department of Education, Manisha Chakraborty stood first at the undergraduate level exams conducted by the Tripura University.
