NSM, Udaipur: Introduction

Situated at distance of 52 kms from State Capital Agartala along the National Highway 8, Netaji Subhash Mahavidyalaya (NSM), Udaipur has been functioning as centre of higher learning in a remote rural setting for over four decades. From being a tiny private entity since 1964, NSM, located at Dhajanagar, Udaipur sub-division of Gomti District, has come of age to admit 1730 under graduate (UG) students in the State during the 2018-19 academic sessions totaling 3626 students across disciplines. The College begun with a few Arts Stream based subjects, Commerce and Science had been introduced in the year 1987 and 1997 respectively to offer all the General Degree Courses under single umbrella imparting education to the students of diverse socio-economic background, race and religion in entire District. It became Udaipur Government Degree College under the aegis of State Government on 21st September, 1979 (year of establishment) while renamed as Netaji Subhash Mahavidyalaya on 23rd January, 1997.

Spread around 4.62 acres of land area, the College has three relatively new multi-storey buildings, two old buildings and one single-storey building in the campus for imparting classes to 3626 students primarily from nearby locations. The well connected Central library of the NSM, Udaipur with INFLIBNET subscription and reading room facility is located in the main building along with academic, establishment sections, well connected Professors Common Room, Seminar Hall among others. The main building also accommodate enclosures for Examination Cell, RUSA Cell, IQAC, Distance Education, IGNOU etc including a small chamber for incumbent Principal. A small College Canteen is also there in the campus.

Monogram: The vision of the NSM Udaipur enshrined in college emblem “साविद्यायामिमुक्तये” meaning “ज्ञानवहहैजोमुक्तकरदे” connotes “that is knowledge, which liberates”. The logo itself indicative of the vision that knowledge has no boundary liberates one’s soul through education to self actualization. The vision document translated into ethos of inculcating human values, professionalism and scientific instillation to all sections of students irrespective of caste, color or creed.

Vision of the College: Vision statement focuses on imparting inclusive education to educands by instilling human values, professionalism and scientific temper across all sections of students irrespective of caste, color or creed with due focus on female students.

Mission of the College: The mission statement includes:

- Provision for multifaceted development of local youths irrespective of caste, color or creed;
- Imparting quality education to students;
- Promoting inclusive education amongst educands;
- Equipping students with academic programs to meet local/regional/national/global environments;
- Emphasizing on student-centric learning amongst learners with due focus on personality and skill development; and
- To make them aware about social developments and responsibilities entrusted upon them.

Student Enrollment and Strengths

The NSM, Udaipur is one of the few Colleges in Tripura offering majority of courses meant for students pursuing general undergraduate education over the years. As of now, the College boasts of having 19 departments under single umbrella spread across three streams, namely, Arts, Commerce and Science. Arts stream encapsulates majority of departments which includes Bengali, Economics, Education, English, History, Geography, Kokborok, Philosophy, Physical Education, Political Science, Psychology and Sanskrit etc., of which Geography, Physical Education and Psychology offer practical oriented courses for aspiring students. Of the twelve Arts stream subjects, nine subjects simultaneously offer both Honors and General courses whereas rest three, namely, Geography, Kokborok and Physical Education offer only General courses. Science stream is represented by subjects like Physics, Chemistry, Mathematics, Zoology , Botany and Human Physiology with all departments running both Honours and General course. Similarly for Commerce, both Honours and General courses are offered to students.

The College could admit a total 1730 students in first semester for 2018-19 academic session of which 355 students took admission in BA Honors, 10766 in BA general, 174 in BSc Honors and 94 in BSc General and lastly for Commerce 04 in Honors and 27 in Commerce General during the session.

Particulars of Teaching & Non-teaching Staffs

The College has been blessed with rich blend of faculties comprising of Associate Professors, Assistant Professors, Post Graduate Teachers (Higher Education) among others. As of 31.12.2021, a total of 46 faculties have been serving in the College excluding Principal, all across 19 disciplines- of which five of them are Associate Professors, 21 Assistant Professors and 20 Post Graduate Teachers (Higher Education). Apart from these, there are Guest Faculties serving in majority of the departments appointed

annually (as per the directives of DHE, Tripura) for meeting inadequacy of teachers for teaching-learning activities of NSM, Udaipur.

Total of 22 or 47.82 percent of faculties of the College are having PhD as a part of academic credentials on the date of reporting indicative of research exposure to relevant field of studies.

Non-teaching staffs of the College are backbone of facilitating teaching-learning and administrative activities of the institution since its inception. Apart from Principal, Drawing and Disbursement Officer (DDO) and Librarian, there are 33 Ministerial Staffs catering services to both faculties and students over the years. Ministerial staffs comprised of Upper Division Clerk (UDC), Lower Division Clerk (LDC), Laboratory Attendants', Library Sorters, Group D Employees and Sweepers among others.

Departmental Activities

The College seeks to carry forward both curricular and co-curricular activities for overall growth of students prior to their entry into realm of life. Curricular activities were designed by the affiliated Tripura University and practiced by the faculties for achieving the goal set out. In doing so, classes are held in between 9.30 am to 4.30 pm in normal working days across departments with the exception of holidays, examinations or any other official events.

Respective Departments of the College also organized Seminars/Group Discussion/Invited Lectures/laboratory based activities/Swachh Bharat Abhiyan/Awareness Campaigns/Sports as deem fit for students as a part of co-curricular activities for their overall development.
