

Report on "One day birdwatching and awareness programme" held on 23.01.2019

Ref: No.F.4(6)/Con/Misc./NSM/UDP/2018/2605-08 dated 17.01.2019

A birdwatching and awareness programme was conducted at Tepania Eco Park on 23.01.2019 in collaboration with Wild Tripura Foundation. The secretary of the foundation made a proposal to conduct such a programme with college students which the college gladly accepted. The Principal, N.S. Mahavidyalaya made a request to the Sub-Divisional Forest Officer, Udaipur for conducting the programme at Tepania. Dr. Dipak Sinha, Assistant Professor of College of Agriculture, Tripura and Mr. Subhasish Sarkar, Secretary of Wild Tripura Foundation were the external experts and Dr. Krishnendu Das, Assistant Professor, Department of Mathematics acted as the internal expert. Dr. Nupur Datta, Head-in-charge of Department of Zoology attended the programme with students. The programme was attended by both current students from various disciplines and alumni of the college totalling around **25** participants. The participants were divided in three groups : one led by Dr. Dipak Sinha, one by Mr. Subhasish Sarkar and another by Dr. Krishnendu Das. **After the watch a total of 81 birds were observed from 39 species by the three teams.** The Principal welcomed the participants in the college after the watch. Certificates were distributed to the participants at the college at the end of the programme.

Sub: Proposal for conducting one day bird watching and awareness programme

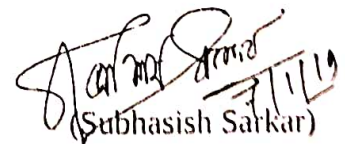

Madam,

Its a pleasure to inform you that Wild Tripura Foundation, a Govt. registered Trust with an aim to document and conserve the unique flora and fauna of Tripura has been playing a key role in spreading awareness about birds and nature among the common people, local community, more specifically the younger generation. We have successfully organized bird watching and awareness programme in Sipahijala Wildlife Sanctuary and MBB College campus with college students of varous colleges of Agartala. Our aim is to organise similar programmes throughout the state to reach out to the younger generation.

In this context we would like to propose a bird watching and awareness programme with the students of your esteemed institution. This program will not only aware the students about birds but it will also instill a sense of responsibility towards the nature. The time, date and venue of the programme can be decided through onsulation at your convenience.

Thanking you with anticipation.

Yours faithfully

(Subhasish Sarkar)

General Secretary
Wild Tripura Foundation
