

## A report on observing 2021 (01.12.2021)

Reference: Action Plan No.F.2(28)/GL/NSM /UDP/2021/1112 Dated, Udaipur:21.12.2021

The first programme of Cyber Jaagrookta Diwas was celebrated on 03.11.2021. The main theme of the day was to sensitize students about cyber security issues through informative lectures. The second programme was conducted to test the awareness levels of students after the first programme and also the awareness levels of school students. It was conducted in collaboration with Department of Psychology. The students collected data from students of our college as well as students from school. It was conducted on 01.12.2021.
