Reference: No.F.4(6)/NOTICE/ESTT/UDP/NSM/815-19 Dated, Udaipur:29.10.2021

The first programme of Cyber Jaagrookta Diwas was celebrated on 03.11.2021. The main theme of the day was to sensitize students about cyber security issues through informative lectures. The programme was conducted open air before the Physical Science building. Dr. Sumana Majumder of Department of Psychology delivered the main lecture. The programme was briefed before Dr. Majumder's lecture by the Teachers' Council secretary Dr. Partha Sarathi Debray. Dr. Majumder elaborated on several burning issues on risks in the cyber world and also stressed a note on the psychological impact of these events. She also interacted with students by asking questions and inviting opinions. After the main lecture the programme was summed up by the principal in charge Dr. Sudhan Debnath. It was enthusiastically attended by many teachers and students.
